

We hope you  
enjoyed 31 days of  
Halloween fun

A FAMILY TRADITION TO MAKE YOUR OWN

# 31 DAYS OF HALLOWEEN

---

For years, October in our home has meant little moments together:  
a craft at the table, a movie after dinner, a game that makes us laugh,  
and a reason to explore. I gathered our favorite ideas in these pages  
so your family can make the month your own.

With love, Priscilla
